\*UNIFROG is a commonly used online schools Careers platform for whole-school careers guidance (Year 7 to Year 13 KS3-KS5). It helps students search for the best work and education opportunities and to apply successfully. The platform allows students to explore pathways throughout school, evidence key activities and competencies and develop personal statements and CVs.

\*\*Ivy League Lectures are a carefully selected range of guest speakers who have trained to the highest professional levels and who can inspire our young people.

\*\*\*STEM Presentations are opportunities from industry and Higher Education providers to demonstrate how science, technology, engineering and mathematics are vital within industry and careers.

#### **Can I get involved**

If you are parent working or a local employer or an ex-student interested in working with our school to offer experiences of the work place or to highlight a specific industry sectors please contact:
