Dear Parent/Carer,

Year 10 and Year 11 MFL Homework

I am writing to inform you of some changes we are making to the Year 10 and Year 11 online languages homework. Previously, we have used ActiveLearn which has had lots of technical issues over the last few weeks. Therefore, we are going to move to a programme called Languagenut: <https://www.languagenut.com/en-gb/>

Languagenut helps students to develop and practise exam skills and includes:

- 8,000 comprehensive exam-style questions aligned to the UK exam boards
- an extensive vocabulary bank of more than 2,500 words in French and Spanish
- verb conjugation exercises across a wide range of verbs and tenses
- a phonics section where students can practise their pronunciation across a range of engaging activities
- over 50 unlockable achievements

Students will be given log in details by their teachers this week and the first homework task will be due in the week after half term. Homework will remain online with weekly tasks that help students to learn vocabulary as well as practise key exam skills.

Please do not hesitate to contact me via email: fsharman@yateacademy.co.uk if you have any questions about these changes.

Yours sincerely,

Miss F Sharman
Head of Modern Foreign Languages
