

5th January 2026

Dear Families,

Wishing you a Happy New Year and hoping you had a restful break.

I am writing to inform you that **the Academy will be closed to all pupils and staff tomorrow, Tuesday 6th January.**

Unfortunately today, our school boiler has suffered a significant fault. Despite our efforts to resolve this, an engineer has confirmed that the system is not currently operational. As a result, the temperature in the building has dropped below the legal requirement for us to safely remain open for children and staff.

Closing the school is always a last resort, and I sincerely apologise for the short notice and the inconvenience this will cause your family. Please be assured that a second engineer will be working throughout this evening and tomorrow to rectify the problem.

I am currently very optimistic that the repairs will be completed tomorrow, allowing us to reopen as normal on Wednesday 7th January. I will be in contact tomorrow afternoon with an update.

Thank you for your patience and for your ongoing support of the school.

Best regards,

Mr E Rakshi

Headteacher
